communication skills necessary for professional success in IT (i.e. not just a focus on technical documents but also the important skill of knowing how to translate technical information into language accessible to a lay audience. This is especially important since many COSC students begin their careers as support technicians.)

- CMNS 113/123 have learning outcomes that set them up for success in COSC courses that have a

An issue for the Fall schedule is the number of instructional Mondays available. There is a possibility to provide an optional Monday class on December 9, 2024, with the understanding that the final exam will not be scheduled within 2 days of the last class, as per the exam policy.
